24th April

Creativity Workshop Societal challenges for the Forest-wood sector

Scope

The creativity workshop aims to define potential research, development and innovation opportunities created by the grand societal challenges in Europe for the InnovaWood sector.

Full programme can be consulted [here](#)

Morning: keynote presentations

Participants should gain an as broadest view as possible on the current social trends and future societal challenges beyond our sector level. Each presentation will last 30 minutes followed by a 15 minutes questions round.

Afternoon: Parallel brainstorm sessions

In up to 3 parallel sessions participants will discuss about the potential opportunities provided by the future societal challenges on all activity fields within the InnovaWood network. The session topics cover all areas of the InnovaWood structure and the sector value chains and they embrace the most important FTP SRA Research themes for our sector.

9.00 – 10.30	Introductory keynote speakers <ol style="list-style-type: none">1. Sustainable lifestyles: future scenarios2. European vision and approach on societal changes
10.30 – 11.00	Coffee break
11.00 – 12.00	Introductory keynote speakers <ol style="list-style-type: none">3. Mass customization of consumer products/goods4. Wrap up
12.00 – 13.00	Lunch
13.00 – 14.30	Parallel brainstorm sessions <ol style="list-style-type: none">1. Sustainable habitat: living and building with wood2. Subsectors of the forest-based sector3. Transportation in general
