

CALL FOR POSTERS INNOVAWOOD SEMINAR

In connection with the InnovaWood & UNECE/FAO Forestry and Timber Seminar “**Innovation in the Forest-Based Sector – Prerequisite for the Green Economy**” and the InnovaWood General Assembly a poster session is organised.

When: 22-24 April 2013
Where: UN premises, Palais des Nations (Geneva)
Deadline: Registration will be closed on 10 March 2013

The poster session is envisaged as an exhibition for the Seminar and GA participants. This InnovaWood poster exhibition provides you a unique opportunity to promote your success stories to a broader audience at the UN premises. The audience for this seminar will consist out of country representatives and other members from the UNECE/FAO Working Party meeting on forest statistics, economics and management, and other actors from our sector. CEI-Bois and the Forest-based sector technology platform are supporting the Seminar.

We kindly invite you to present technological solutions and innovations, which you are proud of, and which show that our sector is an important player in the promising green economy. The idea is to show visitors the diversity of our InnovaWood network within the forestry-based sector.

Application instructions:

- Please keep in mind that the posters should include a presentation of technologies and/or innovations, which you want to share with the seminar participants.
- Your poster is not meant to be a downright promotion of your institution/company
- Posters need to be presented by InnovaWood member institutes
- Single researcher applications are not accepted
- No template is provided, you are free to choose your own design.
- Maximum size of the poster: A0 format.
- Orientation of the posters should be portrait, not horizontal
- You can bring the posters with you on Monday morning before the seminar.

Additionally, you are welcome to present spatial structures that may accompany your poster. Technical details of such structures have to be discussed individually with the InnovaWood Secretariat.

Submission **deadline** for your poster proposal is **10th March 2013**.

To apply please send a short poster abstract to the InnovaWood Secretariat at office@innovawood.com

The 20 posters best fitting the bill will be selected for the exhibition. Authors will be informed by 25th March 2013 if their poster is selected.
