TECHNOLOGY

SWST 63rd July 12-17, 2020 INTERNATIONAL CONVENTION

Renewable Resources for a Sustainable and Healthy Future

Hoteli Bernardin, Portorož, Slovenia

Welcome to Piran, the birthplace of Tartini, the great composer and violinist of the 18th century, the Master of Nations, and an amateur mathematician and physicist. Piran is a small, picturesque town with an academic tradition and rich history. The event takes place in neighbouring Portorož, where all facilities and a variety of activities are within close walking distance.

Family friendly

- Activities for the whole family
- Adapted for different age groups
- Organised in different languages

Special events:

- Pretour to Ljubljana (sponsored by University of Ljubljana)
- Young Researcher/Mentor Outdoor Activity Day
- Early Stage Researcher Session
